

Dear *Chasing Rainbows* cast,

Welcome! As Goodspeed's Education Manager & Library Director, I manage our *Arts Education Collaboration*. This sponsorship driven program allows us to bring nearly 700 underserved students to Goodspeed each season. There will be a number of workshops during the *Chasing Rainbows* run. The students usually visit Goodspeed on two-show days. While at Goodspeed they attend two workshops with cast members, eat lunch, and then see our current production. If you agree to teach, you must meet with us once in person before the first workshop date. We are glad to prepare a lesson plan for you based on your thoughts and our discussion at the meeting.

If you are interested in working as a teaching artist while at Goodspeed, please indicate that below. We pay teaching artists **\$60/hour** (subject to payroll taxes). There may be teaching opportunities after you leave Goodspeed as well, so please fill out this form if you are interested. We hope you will consider participating.

Sincerely,

Joshua S. Ritter
